## WISCONSIN BARGE LINE

**THIS YEAR WE WOULD LIKE  
TO RECOGNIZE THE WIS. BARGE LINE  
FOR THEIR MANY CONTRIBUTIONS  
THEY GAVE TO CASSVILLE HIGH  
SCHOOL**

Their help enabled us to excell in music, debate, and sports. Learning became a little bit easier to us, the students.

Although this page recognizes the Wis. Barge Line, we would also like to thank all the other businesses that have contributed to the school when classes and organizations have asked their help.

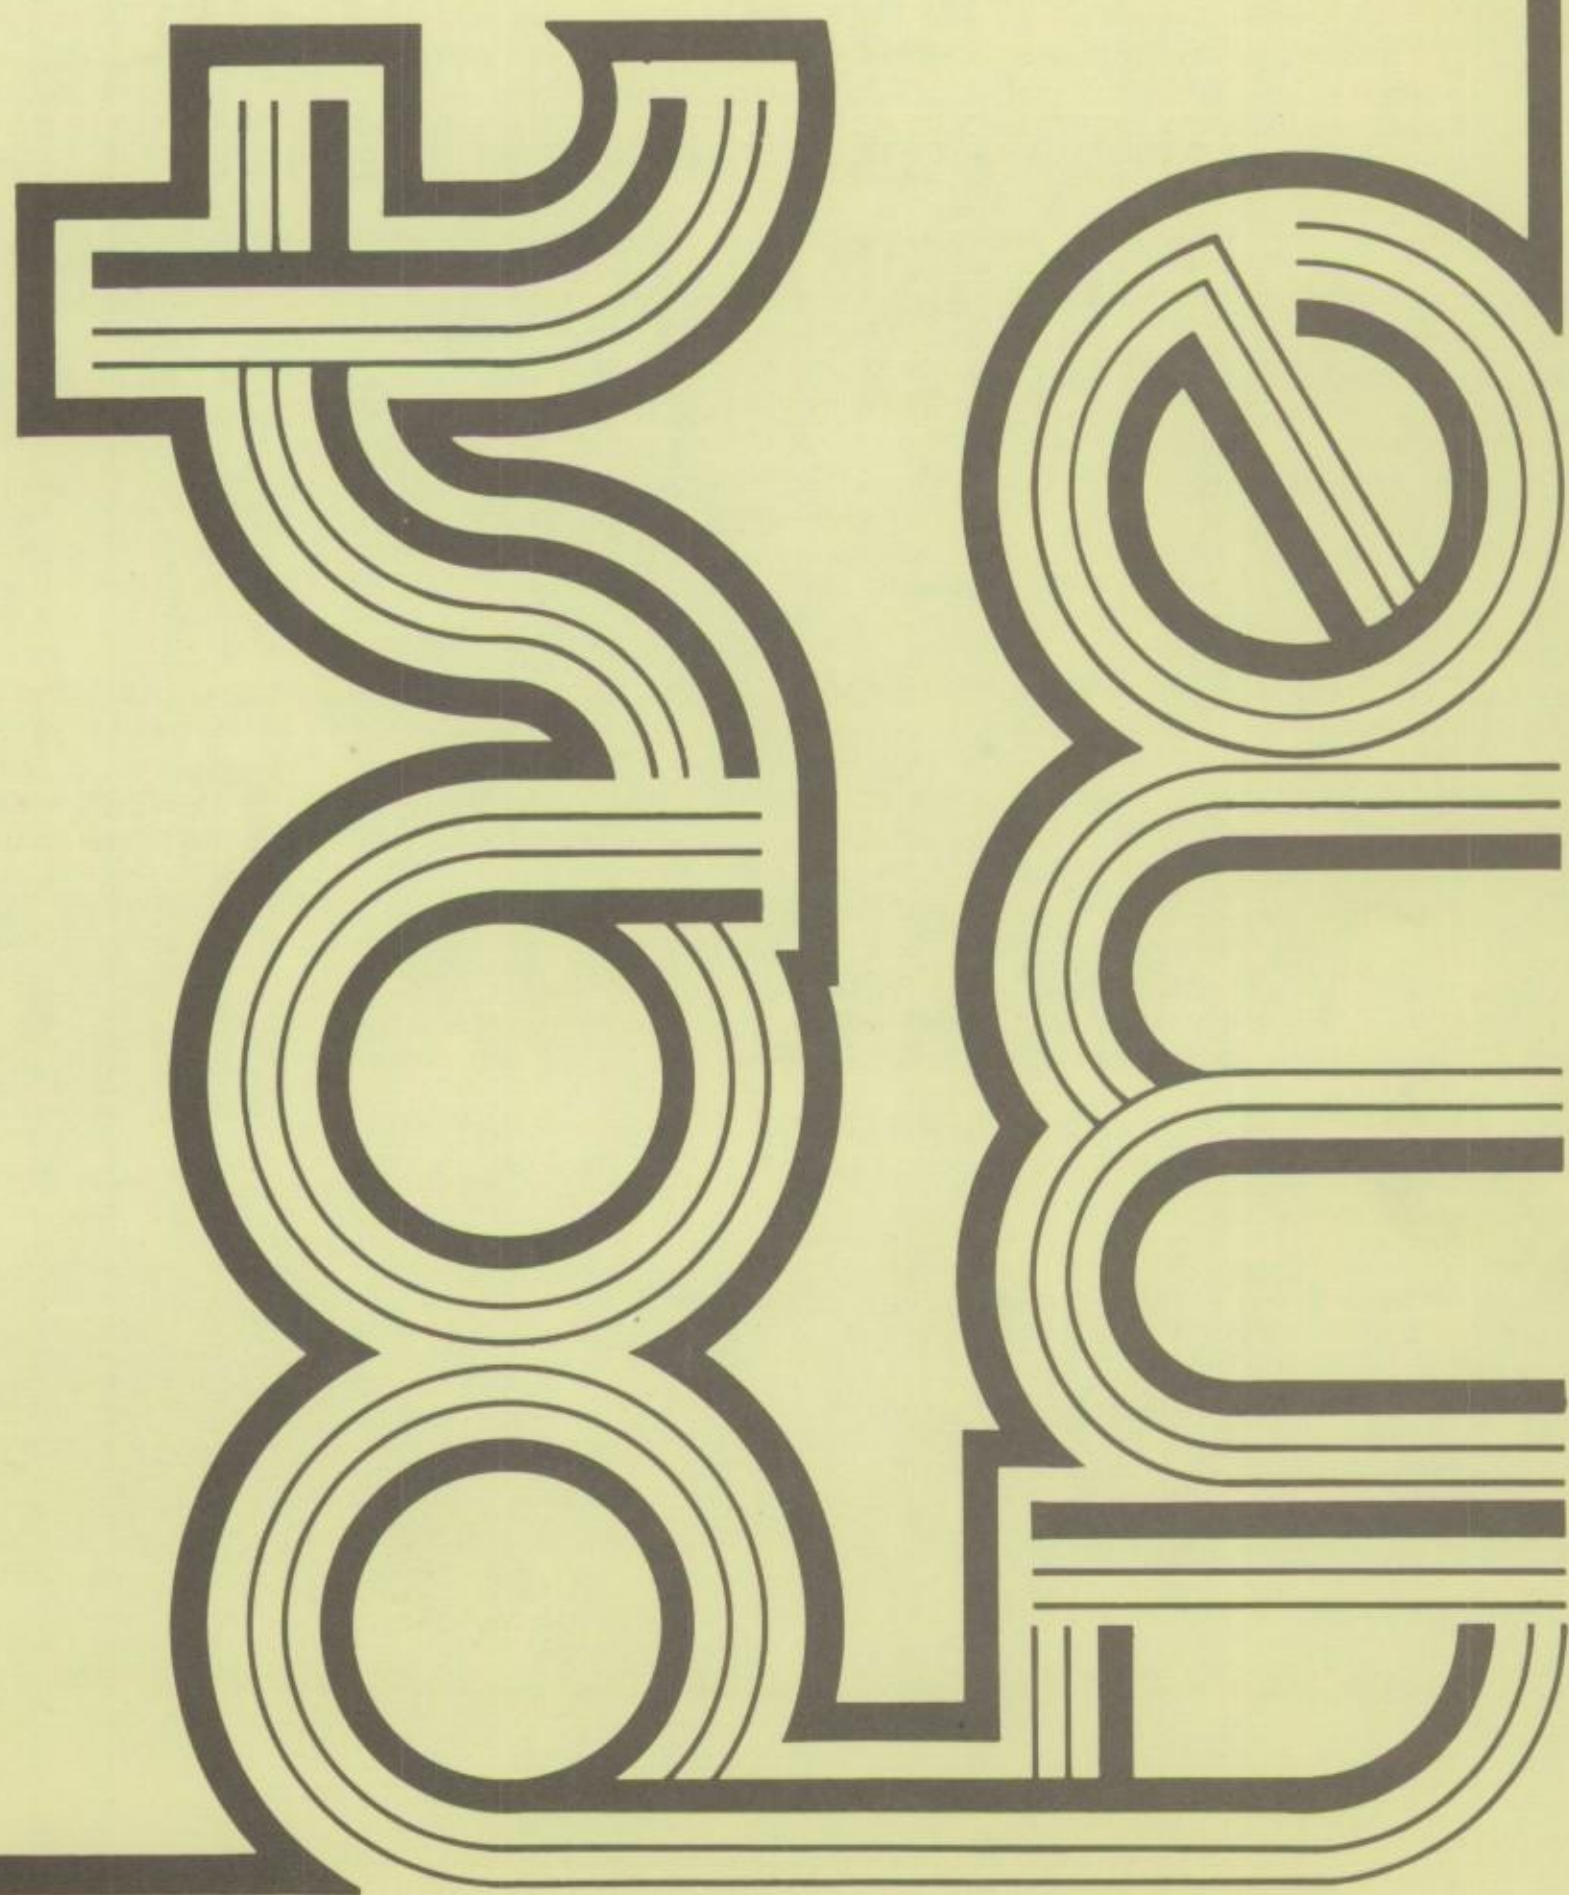

Your help encourages us to go all the further in education.

**THANK  
YOU**

## THE CAST

"Oh, Doctor! I think I've seen a ghost".

"Answer the phone, or else!"

The hush of an empty theatre . . . anguish of rehearsals . . . casting . . . grease paint . . . lighting . . . designing and redesigning of sets . . . watching the sea of faces over the footlights on opening night . . . and another play is born. This year the Drama Club presented the play "Drums of Death," a mystery play for men and six women. The play took place in the living room of the Bailey home, a half-ruined mansion of a desolate stretch of the Atlantic coast. The plot centered around the disappearance of Mr. Bailey, and the search to find him and solve the mystery.

Appreciation of hard work.

On these two pages, we see the best of Homecoming 1973. The parade was led by the Cassville High Marching band. Following that, came the three top floats-Seniors, Juniors and Industrial Arts. Among them, there was also Terry Vaassen-Mr. Ugly; the Homecoming court; and the school clown-Barb Bernhardt.

The night before, Ellen Schauff and Fred Fishnick were crowned the new King and Queen. Also during skit night, the windows were rated- Sophomores, first; Juniors, second. The top skit was performed by the Seniors. These events led up to the big game with Highland, which also proved successful.

## VICA

The Wisconsin Association of VICA was organized this year. Allan Ackerman was the first state president. His duties as president included presiding over the state conference at Green Lake, Wisconsin on March 8-10, 1974 and attending the national conference held at San Antonio, Texas on June 9-12, 1974.

The concept behind VICA is to develop the "whole student"--his social and leadership abilities as well as his skills and prepare him for a responsible role in the community and in the labor market.

This years goal for the NHS was to get involved and perhaps provide some type of service for the community. Their goal was met when they purchased a stereo for the school to be used at sock-hops. They donated \$150 dollars to the Rescue Squad, and organized a Veterans Day program which included a slide show presentation. Officers for the year were Gina David-President, Ann Okey-Vice President, Donella Biggin-Secretary/Treasurer, and Advisor-Mr. Englerth.

The Cassville High School gym on April 27th was the scene of the 1974 Junior Prom. "Just You 'N' Me" was the theme. Crepe paper in red and white covered the ceiling to make it all the more appropriate for a ball. The highlight came at ten o'clock when the Grand March began. The court procession began through the heart walk-thru doorway and continued along the pathway, ending up in front of the water fountain. Music was provided by Yahara, a group from Madison.

Junior Varsity separates not; the men from the boys, but the illusions from the reality. An obvious training ground for future varsity prospects, freshmen teams are the college preps of sports. Junior Comets experience the breaks and mistakes of football after one season; of competition. Those who fall by the side of the gridiron do so for many reasons. Those who desire to continue have a love for a rough sport and an undaunted spirit--exactly what Coach Kolff is looking for. The Junior Varsity squad finished its season with a 6-0 record, after wins over Bloomington, Campion, Belmont, Highland, and West Grant.

The 1974 Junior Varsity Football Team: FRONT ROW: S. Breese, J. Glass, J. Mellon, S. Vogt, E. Ley, T. Bilderback, D. Junk, E. Schauf. ROW 2: M. Kirschbaum, D. Koelker, M. Dietrich, T. Finney, J. Mumm, A. Nickel, B. Hauk, J. Breuer, Coach A. Stemper. ROW 3: Manager, M. Ley, D. Fure, T. Vaasan, M. Vogt, K. Kartmen, W. Brouillard, M. Haas, J. Ploessl, J. Callahan.

The Comet Cross Country Team ran to a 2nd place standing in the Blackhawk Conference this past season. Coach Morgan must be very pleased with the performance of his team since this year was to be one of rebuilding. The highlights of the season were wins over Shullsburg, Belmont, West Grant. On the other hand Cassville was beat by Hazel Green.

The Comet Harriers participated in 8 meets during the conference season. At the conference meet Cassville came in second with 57 points; Hazel Green had 36, Shullsburg had 61; West Grant had 91; and Belmont had 98. Cassville came in 7th out of 10 at the Platteville Invitational and 5th out of 13 teams in the Dodgeville Regional.

Go Tom

The Comet track team had a very successful year. We again captured the Blackhawk League title, breaking records as we moved towards State. League records are: Tom Erickson 880 yard dash (2'02.8), Mike Metcalfe shot put (51'6 1/2"), Fred Fishnick 180 low hurdles (19.95) and 120 high hurdles (15.65). We came in 2nd at Regionals, 1st at Sectionals, and 4th at State in Class "C". Fred Fishnick captured two 1sts., tying the State record (20.2 sec) in the 180 yard low hurdles, while the others were unable to place. The success of this year was accomplished through the hard work and unity of the team and coaches.

# BASEBALL

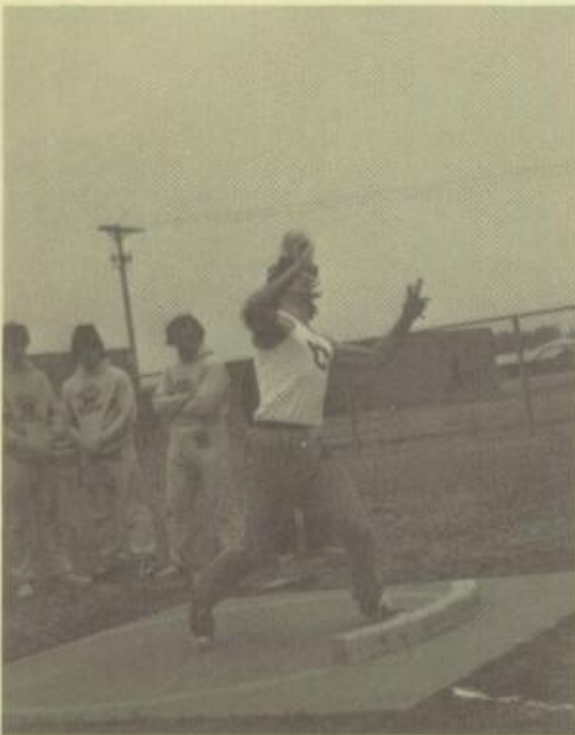

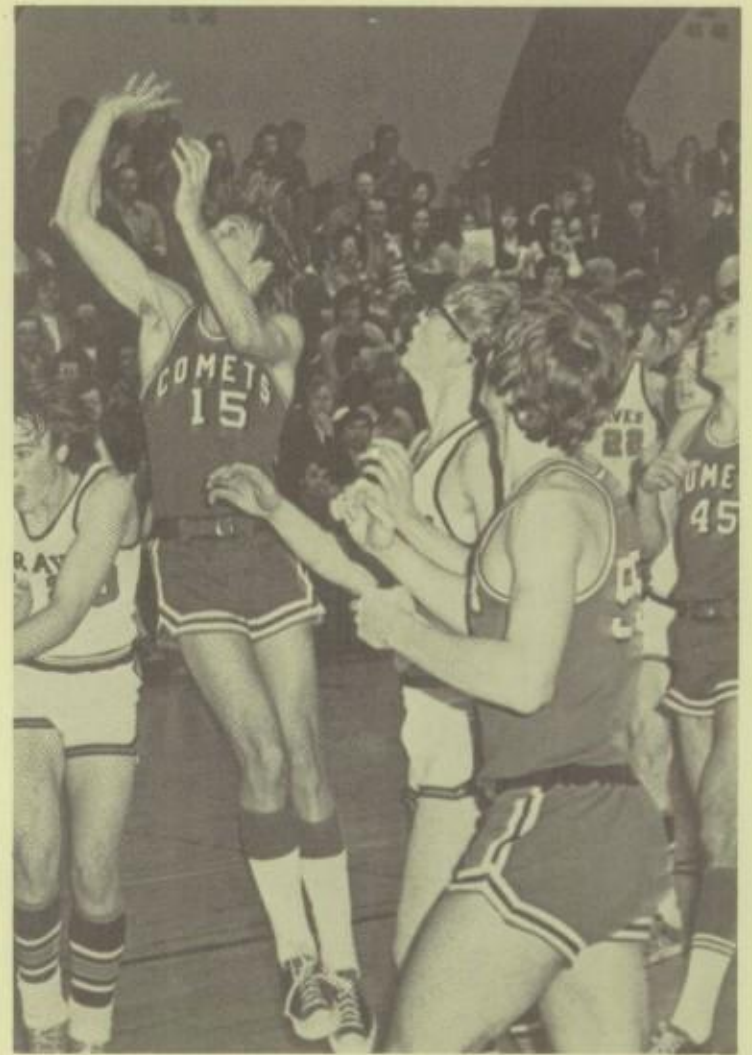

Baseball 1973 was a year of building. There were a lot of players who started the season, but few who finished. Although the season record was only 3 - 12, there were some bright spots in the season.

One of the high-lights was Pitcher Mark Haas. He led the team in batting average and RBI's (runs batted in). Mark also throws a pretty good fast ball. Rod Breuer had the highest fielding average for the team.

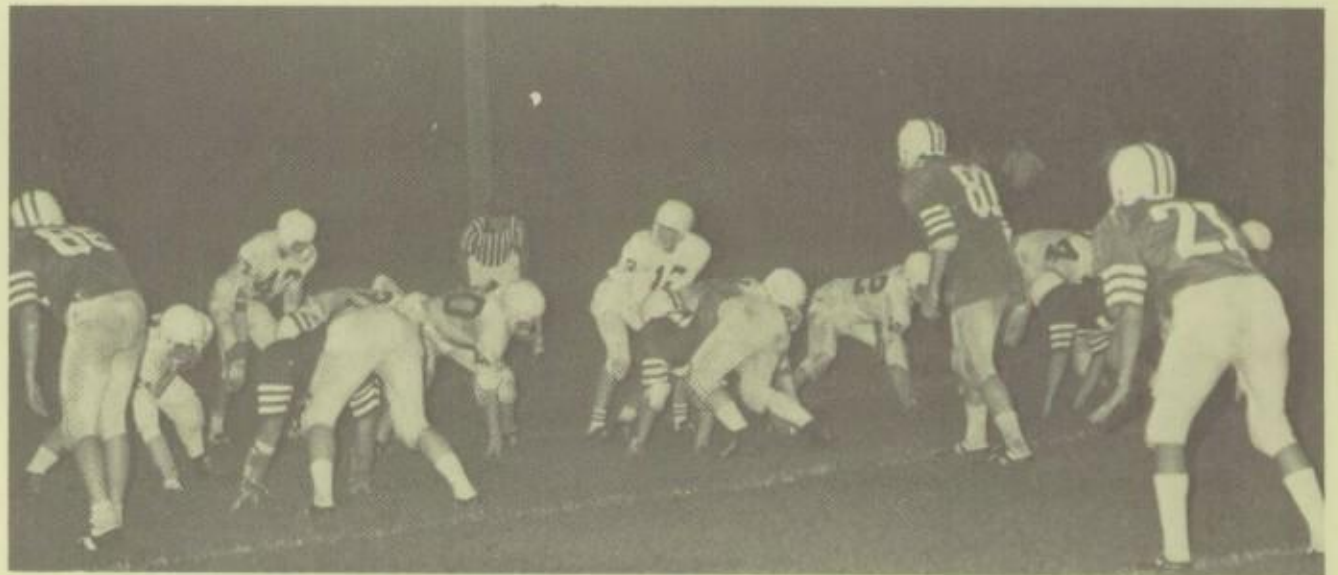

Another bright spot is one which we can look forward to in 1974. With returning players and experience running high, we would have a pretty good season.

All the work was worth it!

Gina David and Laurie Bernhardt accompanied by their advisor Mrs. Audery Benish participated in the Science, Engineering and Humanities Symposium, February 28th, March 1st and 2nd at the University of Wisconsin--Madison.

Laurie and Gina's research paper on THE PROBLEMS AND ADAPTATIONS OF THE HANDICAPPED PERSONS AS HE ESTABLISHED HIS ROLE IN SOCIETY was given top honors in competition with papers from 120 other high schools in Wisconsin thereby allowing them to present their paper to the Symposium.

The theme of the Symposium was the "Quality of Life". The research was based on: (1) basic research in the sciences, in mathematics, or in humanities; (2) application of scientific research to social or environmental problems; or (3) the implications of scientific and technological work for man. The papers were evaluated on the basic premise, creative ability, thoroughness and clarity, style and format.

Because of the excellence of their research, Gina and Laurie were also awarded an all expense paid trip for one week to Boston to attend the National Symposium at the Massachusetts Institute of Technology which began May 16th. While at the Symposium, the girls were taken on an extended tour of the historical sites in Boston.

Gina and Laurie were also awarded a scholarship to the University of Wisconsin--Madison. Cassville High School is proud of these students who not only have won honors for themselves but also for the school.

# CLASS HISTORY

In Mid-August 1970, 63 intimidated and slightly nervous individuals entered Cassville High School as students for the first time. That was to be the four years of the "Class of 1974."

In That, our Freshmen year, our president was Fred Fishnick, our vice-president, Joe Errthum and our secretary-treasurer was Gina David. Our student council representatives were Cheryl Soule and Larry Ploessl. And Mr. Klauer, Mrs. Breuer, and Miss Michels were our class advisors, as they have been for our entire high school career. During the year John Shepherd, Mark Meier, Cathy Cull, and Pat Dohm joined our class, but as the year went by Mike Neises and Mark Meier left.

Homecoming was the most important event of that year, with the class float winning second place and the class winning "Green and White Day." Cheryl Soule was our homecoming court representative. Through the year the Freshmen class sponsored bake sales, sock hops, and car washes. So it was, that by May the first year; the Freshmen year; the year of beginnings was over.

As Sophomores, with the addition of Kim Kuenster, Alvin Bontreger, Bob Cook, and Mark Lisher, our class grew. But as the year passed, Gary Meyer, Nancy Redman, Donald Lau, and Suzie U'Ren left us to bring our class size to 65. Amy Krogman was our class president, with Joe Errthum being our vice-president and Gina David, Secretary-treasurer. Ellen Schauff and Sam Schaal represented the sophomore class on the Student Council. Again, homecoming was the major event of the year with our float receiving a first and AGAIN winning Green and White Day. Amy Krogman represented us on the Homecoming court. And AGAIN sponsored sock hops and bake sales. We concluded that, our second year, by winning the Spirit Award.

We began our Junior year with 63 students. Mike Brinkman and Wally Fishnick left the class before the year began and later, during the year Rachel Turner left. Our class officers were president, Amy Krogman, our vice-president, Dennis Ellingson, and secretary-treasurer, Gina David. Mark Ledbury and Cheryl Soule were our Student council representatives. Homecoming was an important part of the year, but as the time passed it became evident that it would be our Junior Prom that would be most memorable. Homecoming highlighted the fall with Donella Biggin being our court royalty. Our float didn't do as well that year-receiving a third, but again we won Green and White Day. And that year

we won the theme (with IF YOU'VE GOT IT FLAUNT IT.)

Spring and Prom came quickly. On April 28, 1973 the Junior Prom, MOONLIGHT AND ROSES, was held. Cheryl Soule and Mark Ledbury reigned as King and Queen, with the rest of the court being Ellen Schauff and Tom Erickson; Dennis Ellingson and Amy Krogman; Gina David and Terry Vaassen; Joe Errthum and Donella Biggin; Mike Metcalfe and Cindy Tesch; and Sam Schaal and Deanna Schleicher. It was during this time that our class experienced a great loss-Doug Hochhausen, a fellow classmate, was killed in a motorcycle accident. He is deeply missed by all.

Dennis Ellingson was Badger Boy and I, Laurie Bernhardt, was Badger Girl. The spoon recipient that year was Jeanine McNett. The third year, the Junior year, ended with the anxious anticipation knowing that there was only one year left.

In the fall of this school year we entered Cassville High School as Seniors. There were 61 of us then, but as the year passed John Shepherd left us. Sam Schaal is our class president and Donella Biggin, secretary-treasurer. Our student council representatives are Dale Ackerman and Kim Kuenster. Mr. Klauer, Mrs. Breuer, and Miss Michels are our advisors. This Homecoming was our most successful with firsts in both the float and skit, plus our winning Green and White Day AND Dress Down Day. Ellen Schauff and Fred Fishnick were Homecoming King and Queen, with Kim Kuenster being our Senior representative.

In preparation for our class trip we undertook two money making projects--selling candy and cheese, plus various bake sales and sock hops. On May fifth and sixth our class went to St. Louis for the class trip.

We are now approaching the end of our high school career. Tomorrow night, May 24, 1974, may very well be the last time all of us -- the class of '74 -- will ever be together again. We have selected as our class motto: We Live Each Day to Make the Next Better. Our class flower is the rose and our class colors are blue and red. Jeanine McNett is our Valedictorian and Gina David is Salutatorian. Tomorrow night we will not only be ending one phase of our lives, but beginning many others.

# CLASS PROPHECY

The year is 1984. Here we are for our ten year class reunion on the old river boat queen docked at Pabst City, U.S. of A., recently taken over by none other than AL ACKERMAN. On his staff is ROD BREUER, world famous beer sampler, and I, DONELLA BIGGIN, acting as hostess.

Pulling up to the dock now is CINDY TESCH and SHEILA KANE. Cindy is married to an unknown millionaire and in her spare time is a psychiatrist for people with nerve problems. I wonder if this has anything to do with Sheila Kane. Sheila has just recently gotten a job at the zoo working with our fine feathered friends. The ducks are her favorite.

A plane arriving from St. Louis is bringing a number of our classmates. JOE ERRTHUM, TOM ERICKSON, ALANA KIRSCHBAUM and MONA CARLSON. Joe and Tom are now the pilots and chief hosts of Hue Heffner's bunny plane. Alana Kirschbaum and Mona Carlson have since signed up as chief bunnies.

A few of the class are already indulging themselves in the rec room of the ol' boat. Over in front of the television set is LYNN TURTSCHER, LESTER BREUER and DALE ACKERMAN. They're all watching the Indianapolis 500. Dale and Lester had entered their car but the night before the big race they were taking a cruise in their car when a tractor jumped right out in front of them, Lynn, successful mechanic, tried to help, but there were too many complications. Switching channels, you'll see SUE CORNELL'S Kentucky thoroughbreds off and running in the Kentucky Derby. One of her filly's, Cornball, took first in the derby last year.

Over at the card table are LARRY HAMPTON, DALE GARNER, and TIM HESS doing their usual gambling again. Larry, the Marlon Perkins II, is now the doctor on Wild Kingdom. Dale is Larry's co-assistant. He works with the birds mostly. Larry says Dale takes special interest in rare species, such as vultures. And yes, Tim Hess, the only retiree of our class. Rumor has it that he made millions on his famous fruit pies and bunsolees.

Goodness, for a minute I thought I saw a streaker up on deck but I guess it is FRED FISHNICK doing his usual workout. Fred is Burton's one man track team.

Looking out towards shore is JOHN FINNEY and TOM JAEHNKE, arriving on their homemade raft. These two have gone into the art of commercial fishing back on the banks of the Mississippi.

Here comes MICHELLE MERGEN, CHERYL SOULE, ELLEN SCHAUFF and SHEILA KIRSCHBAUM. After graduation these four headed for Madison, WI. The city is still shaking!

Close behind is JEANINE MCNETT. She is touring the U.S. in Lyceum programs competing with computers. Word has it she has outcomputed the computers.

I see "Bronson," the former RICHARD RAISBECK and LARRY PLOESSL have just pulled up. Rick has been

going wherever his chopper takes him. Too bad we can't say the same for Larry. His bike decided to take him for a trip and Larry DIDN'T come out on top.

Peeking around the corners of the boat is SAM SCHAAAL, Orkin Pest Control's top chemist in coming up with new toxic chemicals to kill the bees of the world.

Over in the lounge area is BARB BERNHARDT, pre-school teacher, conversing with Kathy Meier, formerly KATHY BREUER, Dana Breuer, formerly DANA WORSHAM, Carole Cale, formerly CAROL METCALF and Pat Schnering, formerly PAT DOHM. They're all discussing their married life. Barb seems awfully concerned because not one of them has done anything to contribute to the population yet.

Sitting close by is RALPH and SHELLY (GRATTEN) MUMM, MARK LEDBURY, TERRY VAASSEN, MIKE METCALFE and ROY MEYERS. With Ralph and Shelly, it's just like Ma and Pa Kettle down on the farm. Shelly has a couple of kids hanging on her apron strings and Ralph is busy farming. On the other hand, Mark Ledbury owns a 500 acre, push button farm. The unusual thing about this is that he has Mike, Terry, and Roy pushing the buttons.

I was amazed to discover that we had a lawyer among us. Leave it to LAURIE BERNHARDT to make the big time.

Several of my former classmates have become builders. KIM KUENSTER, JANIS WAMSLEY and DEANNA SCHLEICHER. The three of them are now supervisors of the New Bridge Building. It seems that Thunder Bridge has deteriorated over the past few years. On their crew is ALVIN BONTREGER and KENT OKEY. Alvin is designing the bridge and Kent has been spending the last few years just clearing the beer cans out.

PAT LAUFENBERG, CONNIE SCHAUFF, TERRY JUNK, and DENNIS ELLINGSON have made it. Connie is the basketball coach of the Milwaukee Bucks and has just recently signed on Coon Ellingson. Pat is the coach of the winning Green Bay Packers. She just recently hired Terry as quarterback. Terry hasn't been making it to practices though. When the team all run out to the field for warm-up, Terry is always last in line and when coming out of the locker room he forgets to duck and hits his head every time.

BOB COOK, STEVE UDELHOVEN and LILA TURTSCHER seem to be in some kind of heated argument. After graduation Bob signed up with the Air Force, Steve signed with the Navy and Lila signed with the Army. We might have to get JOE JUNK over to break it up. Joe has been a cop for the past three years. Joe says if you can't beat em', join em'.

There's AMY KROGMAN just pulling in on her surf board. Amy has been spending her time in Florida, surfin' and sunnin'. JIM DEAN is close behind. He has made swimming his career.

Two of my classmates are still attending colleges, GINA DAVID and TOM WHYTE. Neither of them have decided what to do yet. Gina has been changing majors every year.

I hear BARB PRITCHETT pulling up beyond. You couldn't mistake the squeal of those tires or the rumble of that muffler anywhere. Barb has made her home in Beeton, because her Ford couldn't take her much farther.

Unable to attend our class reunion was MARK LISH-ERON and CATHY CULL. Cathy has made her home

in Cassville making pottery. Mark has been spending his time hopping and bopping to the beat of the Beach Boys. In his spare time he sells corn cobs. On his last selling campaign, Mark sent out a bronze corncob to CHS's Ag shop!

The shindig has been underway for several hours now and everybody seems to be enjoying themselves. It's been ten years since we've had such a party, and I must say the '74 Seniors of CHS have not lost their knack to Hang One On!

I'm not guilty--  
of that.

I only came to bother Mrs.

# OUR FRIEND FROM MEXICO

This year Cassville High experienced having a 16 year old foreign exchange student. Her name is Zonia de Santos from Mexico City, Mexico. She comes from a family of five—one brother and one sister ages 13 and 18.

Her father works at the University of Mexico as a geologist engineer, and also for the government.

Before coming to Cassville, Zonia wants to work as a tour guide or at the airport.

While attending the high school, Zonia became an honorary member of many organizations.

The Dr. B.L. Bernhardt, and Harold Bethke families will miss her as will all the other people who have met her.
